**Question for written answer
to the Commission**

Rule 117

Sir Graham Watson (ALDE)

► **Subject: Gibraltar and collaboration on tax, financial services and money laundering matters**

 **Answer(s)**

The International Monetary Fund's report of May 2007 (Country Report No 07/154) noted that 'Gibraltar has a well-regulated financial sector. The Gibraltar authorities are concerned with protecting the reputation and integrity of Gibraltar as a financial centre, and are cognizant of the importance of adopting and applying international regulatory standards and best supervisory practices. Gibraltar has a good reputation internationally for cooperation and information sharing.'

Can the Commission state whether it has ever received a well-founded complaint regarding an alleged failure by the Government of Gibraltar to provide or exchange information or failure to collaborate generally on tax, financial services or money laundering matters?
