## Parliamentary questions

18 May 2015

P-005557/2015

### Answer given by Mr Avramopoulos on behalf of the Commission

Upon request from the Commission, the Spanish authorities have submitted on 20 February the reports on the checks carried out as well as the number of seizure, administrative offences or crimes related to tobacco smuggling. These reports cover the period May — December 2014.

The Commission is continuing the dialogue with Spanish authorities in order to ensure that the relevant data and reports are being timely submitted.
