Gobierno de Gibraltar:

El Gobierno de Gibraltar cierra todos los bares, restaurantes y clubes en horario nocturno

Gibraltar, 13 de marzo de 2020

El Gobierno de Gibraltar ha tomado la difícil decisión de que todos los bares, restaurantes y clubes nocturnos cierren a las 20:00 horas a partir de hoy como medida para ralentizar la propagación del coronavirus COVID-19. Se ha publicado un aviso legal a tal efecto.

Cabe la posibilidad de que se tome una decisión adicional en el transcurso de las próximas horas y días para cerrar estos establecimientos por completo.

Las pruebas en materia de salud pública indican que el distanciamiento social es la medida más importante que se puede tomar y que puede ralentizar la propagación del virus en hasta un 60%.

Se permitirá que los servicios de recogida y entrega a domicilio de pedidos de todos los bares, cafeterías y restaurantes continúen con normalidad. Se recomienda encarecidamente a los clientes que mantengan una distancia de al menos un metro en cualquier cola y que sigan una estricta higiene de manos mediante su lavado durante al menos 20 segundos con agua y jabón. El Gobierno recomienda enérgicamente que se priorice recurrir a los servicios de entrega a domicilio. Cuando sea posible, los clientes deberían pagar electrónicamente y solicitar al personal encargado de la entrega a domicilio que llame a la puerta y deje el pedido delante de la puerta para su recogida por el propio cliente.

PRESS RELEASE

No: 178/2020

Date: 13th March 2020

Government of Gibraltar Closes all Bars, Restaurants and Nightclubs

HM Government of Gibraltar has made the difficult decision to close all bars, restaurants and nightclubs from 8:00pm nightly, starting today as a measure to slow the spread of coronavirus COVID-19. A legal notice to effect has been published.

A further decision may be taken over the course of the coming hours and days to close these establishments completely.

Public Health evidence indicates that social distancing is the single most important measure that can be taken and can slow the spread of the virus by up to 60%.

Takeaways and delivery services from all bars, cafeterias and restaurants will be allowed to continue as normal. Customers are strongly advised to maintain a distance of at least an arm's length in any queues and to maintain strict hand hygiene practices, washing hands for at least 20 seconds with soap and water. The Government strongly recommends using delivery services as a preferred option. Where possible, customers should pay electronically and ask delivery services to knock and leave the delivery at the door for pickup.
