### **Technical Call – Cruise Liner ‘Jewel of the Seas’**

The Cruise Liner “Jewel of the Seas” has carried out a technical call at Gibraltar today, 18 June 2020. The ship arrived in BGTW at around 06:00 hours.

In line with HM Government of Gibraltar’s decision to suspend cruise liner visits to Gibraltar during the current COVID crisis, it must be pointed out that this has not been a cruise call, the vessel did not have any passengers on board, and it berthed exclusively to take on bunkers, provisions and other operations whilst in port. No crew members were allowed to disembark from the vessel.
